

Drop Off/Pick-Up Guidelines for Drivers

Set a Safe Example for Your Children!

In an effort to relieve the traffic congestion during student drop off and pick-up, please follow these guidelines:

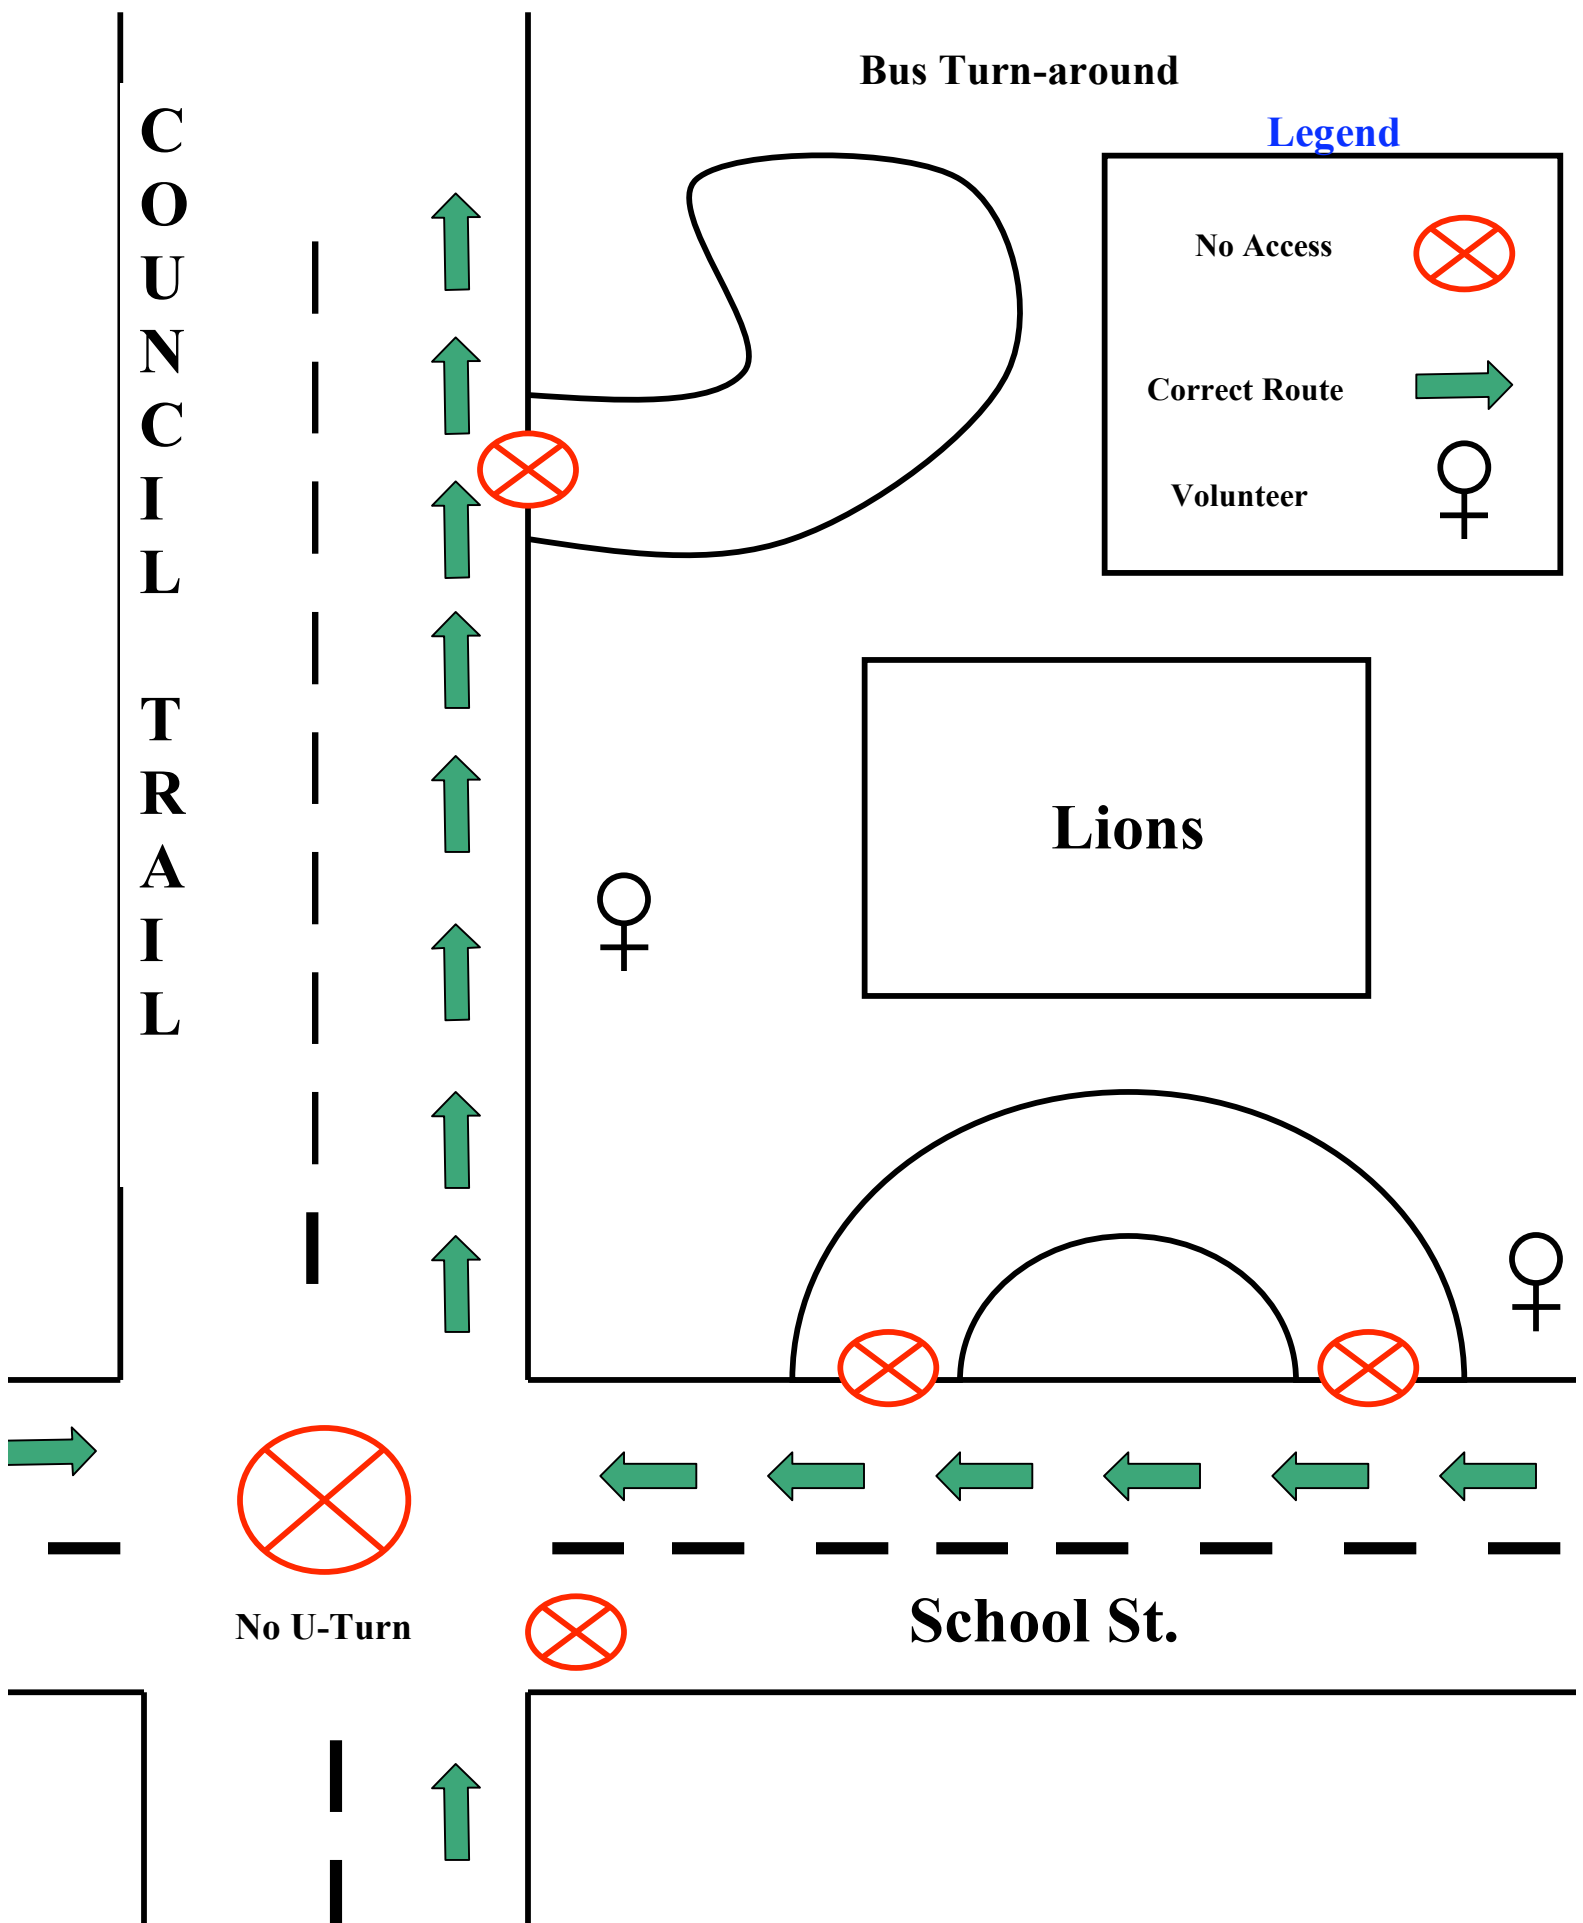

- **Use designated crosswalks** – Do not jaywalk! Teach your kids to use the crosswalks. **Epecially do not walk through the bus turnaround!**
- **Stay With Your Car** – the areas on School Street and Council Trail are zoned specifically for drop off and pick-up only from 8:30-9:30am and 3:00-4:00pm. You don't want to get a ticket and we don't want you to get a ticket either!
- **Don't Double Park** – It's dangerous for our kids to run in between cars.
- **Please Wait In Line** – Cars sometimes dart are darting around other cars instead of waiting a few minutes to leave.
- **Drop Off Zone on Council Trail** – Please do not wait until you drive to the first spot to drop off your child (see picture *below on left side*). This is causing a lot of congestion at the intersection of Council Trail and School Street. If you are able to come to a complete stop, allow your children to exit the vehicle by the grassy area. Then wait for all cars to move forward - Our goal is to move SIX cars at a time!!
- **Drop Off Zone on School Street** – After you have safely dropped your child off on the passenger side of the street, please continue south bound (straight) on School Street or east bound (left) on Council Trail. Avoid entering the drop off zone on Council Trail.
- **No U-Turns** – Instead, please drive around the block.
- **Avoid turning around in residents' driveways.** Do not use our Lions Park neighbors' driveways as a drop off spot for children.
- **Do not drive around the cones on Council Trail** – we ask that you wait until the car in front of you has pulled forward before you move forward.
